Hi Jim, sorry I didn't get you the detail. I stopped by your office on my way out this morning to give you the lowdown.  
Yes, you can contact the state and Mountaire. Jen Roushey called me back about 15 min after I left for home. She left a message saying that she does want to talk about Mountaire. She said she is out on Monday but will be in Tues morning starting at 9.

## Ex. 5 - Attorney Work Product

Thanks for jumping on this. You should be able to reach me before 10 am and after noontime if you need to.

Have a great weekend.

Couple questions regarding Mountaire

1. Should I tell the State we are planning Ex. 5 - Deliberative Process
2. Should we reach out to Mountaire and start the conversation about the Ex. 5 - Deliberative Process
3. I think we have a good starting point and hope to flesh out with ORC Monday morning to Ex. 5 - Deliberative Process
4. I assume I should send the official enforcement notification up the chain and add to the pipeline.

If we are going to take action I don't want to sit on it for too long, especially with the weekend coming up.
